**Advantage
brands**

- ♦ ControlLogix 1756 series controller
- ♦ CompactLogix 1769 series controller
- ♦ SLC 500 1747 1746 Series Controller
- ♦ PLC-5 1771 1785 series controller
- ♦ ProSoft:
MVI69/PS69/MVI56/MVI94/MVI71/MVI46/3150
- ♦ ICS TRIPLEX trusted system

- ♦ AC800M series controller I/O module
- ♦ AC800F series controller module
- ♦ AC31 series controller module
- ♦ 800xA series modules
- ♦ Bailey INFI 90 module
- ♦ DSQC robot module spare parts
- ♦ Advant OCS system spare parts
- ♦ H&B Freelance

- ♦ Siemens MOORE
- ♦ Siemens S5

- ♦ Bently 3500 Monitoring system
- ♦ Bently 3300 Monitoring system
- ♦ Bently 3300 XL 8mm Proximity Transducer System
- ♦ Bently 330180 Proximity Sensor

- ♦ Invensys Triconex Card:
 - TRICON TMR system
 - TRICON card
 - TRICON Module
 - TRICON systems
 - TRICON DCS system spare part
 - TRICONEX ESD system spare part
- ♦ Invensys Foxboro:
 - I/A Series System Module

- ♦ Ovation System DCS Card
- ♦ DeltaV system Dual Channel Redundancy Safety System, Redundancy Controller

- ♦ IS200/DS200 series Excitation system card
- ♦ IC693/IC695/IC697/IC698/IC200/IC660/IC670 CPU module, Communication module, Analog Digital module

- ♦ Quantum 140 series: Modicon M340
- ♦ Modicon Premium:
CPU Processor Module, Communication module, etc

- ♦ Alcont
- ♦ Experion LS
- ♦ Experion PKS
- ♦ Experion HS
- ♦ TPS
- ♦ Plant Scape
- ♦ TDC 2000
- ♦ TDC3000

Applications

Understand how industry developments impact your job role and workplace practices with our extensive resource library. From automotive to food and beverage, from machine manufacturing to general automation, the Knowledge Center has everything you need to advance your expertise and skills.

Our Services

We provide control system spare parts service for you and your company

Who we are?

Extend the life of your installed control systems, drives and servo motors with industry-leading parts for the manufacturing industry. Reduce your maintenance costs with our extensive inventory of control systems (DCS, PLC, CNC), panel controllers, HMI, industrial PCs, drives, power supplies and servo motor spare parts.

Apter Power, a global automation parts sales company, understands the urgency and importance of reliable delivery times in downtime situations and can ship quickly to meet your urgent needs.

Pulp and Paper Automation

Automotive Automation

Industrial Metal Processing and Steel Industry Automation Solutions

Power Plant Automation

Mining Automation

Oil and Gas Automation

Green Hydrogen Production Control Systems

Semiconductor Industry Solutions

Water and Wastewater Automation
